

Would you like to support a student and become their guarantor?

Follow these step by step steps:

The document must be apostilled and dated less than 6 months ago. (Turkish documents exempt from apostille)
- Copy of the student's Belgian residence permit and registration certificate for the school year to which the commitment to cover will relate (if a student already in Belgium)
- Proof of income of the guarantor:

- Other means of proof may be considered, such as:

- (a) The payment of a sum of money to a bank account of the higher education institution the student is registered or admitted to register.

- (b) Scholarship certificate

- (c) The student may engage in gainful employment outside of the time that should normally be devoted to studies. Account will be taken of the resources provided by the legal exercise of such an activity.
